

# Day 52 Task

## File system and OS Modules

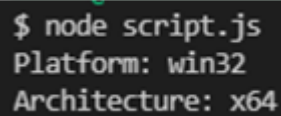

1. To create a file app.txt with 'This is a test file' as text using File system module?

The expected output is shown below.

```
app.txt X
Day 52 > FSWD_D52_ATS > app.txt
1 This is a test file
```

2. To console Platform and Architecture using the OS Module.  
The expected output is shown below.

```
$ node script.js
Platform: win32
Architecture: x64
```
